### ABOUT ME

Seeking for opportunities and secure a position as a developer where I can efficiently contribute my skills and abilities for the growth of my organization and my professional career. I am a responsible person and I am friendly to everyone. I believe every person learns every day and I also want to learn new things and improve my skills.

### EXPERIENCE

Application Developer (MuleSoft Certified Developer Level 1)  
Company – Caelius Consulting Inc.

**Sep 2021 - Feb 2023 (2 Years)**

Role - Develop, maintain and support MuleSoft application.

Projects –TGI Fridays and IHG

1. TGI Fridays is offering high quality, authentic American food and legendary drinks and there are 890 restaurants in 60 countries.
2. IHG Hotels & Resorts is one of the world's leading hotel companies with a purpose to provide True Hospitality for Good.

Tasks Performed –

1. Monitored the logs in production for exceptions and resolved exceptions.
2. Performed orders testing.
3. Solved the scheduler problem if stopped running.
4. Analyzed the alerts for Apis with greater response time.
5. Checked file processing for directories and resolved the problem if failed.

Tools Used – Anypoint Platform, Anypoint Studio, SSMS, Postman
